**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic for my phone and internet service because they are small and local! The service (tech support) is fast and kind. I like that I am talking to someone in the next town. I do not want to deal with a big business and their take-over strategies. It is important that there is broadband competition! Keep it that way!
